Happy New Year!

Thanks to all who were able to join us for our Christmas programs. The children had worked hard, and were happy to share with you all their songs and poems. We hope you all had a wonderful extended Christmas break. We are eager to get back to school.

We are now reaching a time of year when both the weather and illness can prevent school attendance. As a reminder, if the Elyria City Schools are closed due to weather, then our preschool is closed as well. In addition, if your child is ill, please remember to contact the school to let us know that he or she will not be able to attend. Children that have had fevers must be fever free without the aid of Tylenol for 24 hours before returning to school.

Field Trip

This month we'll be visiting a bowling alley for what is always a fun field trip. For some of the children this is a first experience bowling too. We'll be bowling at Rebman's at 5300 Oberlin Avenue in Lorain at 10am.

Wednesday, January 24 – Mrs. Pendergrass's M/W and Mrs. Chambers' Classes

Thursday, January 25 – Mrs. Pendergrass's T/Th Class

Back to Routines

January is always a time that we need to reinforce our school rules. It has been a long break for all of us, and it is a gradual process to get back in to our routines and remembering how we behave in our classroom community again. We would appreciate you joining with us in reminding your child of our school rules before they come to school this month, or asking them to tell you what one of our rules are

- *Be kind (to one another and our things)
- *Use listening ears
- *Keep hands and feet to our self
- *Use walking feet
- *Stay with your grown up at all times
